## THE BUZZ

MEMPHIS

Chef Chris Windsor with Grill 83's specialty: grilled meat.

**WHAT TO ORDER:**  
Chef Windsor recommends the honey-chipotle glazed ahirimp served over Southern-style sweet corn pudding.

### EATING WELL

#### Grilled to Perfection

Looking to rub elbows with local CEOs? Head to the upscale **Grill 83** connected to the Madison Hotel in downtown Memphis.

The restaurant serves as a meeting place for Memphis' most successful set. Men and women in smart suits mingle over perfectly grilled steaks and delicately mixed martinis. There's also a private boardroom for more formal business meetings.

True to its name, the eatery offers

a variety of grilled dishes, from grilled salmon served in a morel broth to the chef's signature New York strip steak. Chef Chris Windsor says his restaurant boasts the only freshly served 16-ounce Kansas City cut steak in town and also serves up excellent service.

"We try hard to exceed expectations on service. We want to make people comfortable," says Windsor.
